The Headquarters Hotel is the Red Lion Hotel Seattle Airport, located at 18220 International Blvd., Seattle, directly across the street from the airport. Telephone 206-246-5535. When calling for reservations, be sure to indicate you are with the USMC MCTA REUNION, in order to obtain the special rate. The block of rooms at this rate will only be held until 10 June, so be sure to make a reservation before close of business that date.

For those flying to Seattle, every effort will be made to meet you at the curb outside the Baggage Claim Area. It is critical that you indicate your flight arrival information on the below form. There is also a hotel courtesy van, up one level from Baggage Claim and across the Skybridge, and down (elevator), again, to the courtesy van loading/unloading area. There is a phone bank there for summoning courtesy vans. You WILL NOT need a rental car unless you intend to make sightseeing side trips on your own.
